We also welcome Senior Accountant, Rio Dervishi back to Adelaide who joins us following two years in our Perth office, coupled with Aaron Thorpe a graduate Insolvency Accountant who previously worked in hospitality and the wine industry.

Brent Kijurina, Steven Barnett and David Trim look forward to seeing you at the new office and introducing you to the expanded team soon.

In Perth, Michael Hillgrove has been appointed as Partner in Hall Chadwick WA's Audit and Assurance division. He joins Nikki Shen and Alan Burns. The three Partners combined extend 80 years of experience to audit clients. Wayne Healy, Managing Partner says "Adding Michael to the Perth team is a significant development in growing our firm. We are positioning our audit team for aggressive growth in this market when many other (accounting practices) are focussing on reducing their professional staff and streamlining services".

In Brisbane, Geoff Stephens has retired after 14 years as Audit and Assurance Partner at Hall Chadwick Queensland. Geoff has been in public practice for more than 30 years. Clive Massingham and Mark Taylor will now take on the joint role of leading the firm's Audit division. On his retirement, Clive said "I have been working alongside Geoff for nine years now and have had the privilege of learning from someone whom carries a great depth of knowledge and experience in the practice. While the team will certainly miss Geoff, Mark and I are excited to take the reins and continue to deliver exceptional service to all of our clients".

In Melbourne, Steven Nguyen has been appointed to the more senior role of Associate Director after 9 years with the firm and tremendous experience across diverse organisations. David Lissauer, Chairman of the Hall Chadwick Association says "Even though we start the 2020/21 financial year with unfamiliar economic challenges, I see these changes within our practices an exciting pathway for growth. I have no doubt this will further enhance our ability to serve clients. We remain committed to support our clients in every way possible".
