## STEWART THOMPSON

### PARTNER

#### ABOUT STEWART

Stewart has over 30 years chartered accounting experience and has been a partner in public practice since 2001. He has spent his career within both Big 4 and mid-tier firms providing audit and advisory services focusing on the middle market. He joined Hall Chadwick in 2022.

As a partner in Audit & Assurance, Stewart provides audit and assurance services to a range of clients encompassing some of Australia's leading privately owned and foreign multinational companies, and not for profit entities.

Stewart assists companies ranging from stand-alone entities to complex groups with turnovers in excess of \$500 million per annum. He provides his clients with the necessary support to face the challenges that growth in complex regulatory environments presents. Stewart has experience in a broad range of business industry sectors, including; Manufacturing, Import and Distribution, Transport and Logistics, Property, Not for Profit and Public Sector.

Stewart's service style is defined by the way he applies a combination of technical knowledge and lateral thinking to look at the big picture from his clients' perspective. He applies a practical and hands on approach and is motivated by watching his clients achieve their goals.
